High School Counselors:
Loop High School, Seagraves High School, Seminole High School

December 27, 2023

Dear Counselors ,

The Llano Estacado Underground Water Conservation District is sponsoring the annual essay contest for senior students at Loop, Seagraves, and Seminole high schools. All senior students are eligible to enter the essay contest. First place contest winners from each school will receive a **\$1,000 scholarship** and second place winners will receive a **\$500 scholarship** to the college or university of their choice. If limited applications are received from a school, additional places or funds may be awarded to other campuses. Scholarship funds will be paid directly to the university/college upon confirmation of enrollment in classes (not to the individual student). Scholarships will be awarded contingent upon receipt of qualified submissions based on the criteria outlined below as determined by the scholarship committee.

2024 Scholarship Essay Prompt :

“In your community, what are your water resources and does conflict over these resources exist? If so, how does your local groundwater district work to alleviate conflict between individual landowners, water right owners, commercial businesses, cities, public utilities, households, agriculture, etc.? What rules or regulations are in place to ensure equitable water resources for ALL constituents in your community? ”
