**SHARS (School Health and Related Services) Scholarship Program**

**Overview of Program**

SHARS (School Health and Related Services) is a Medicaid reimbursement for direct services for special education students who are Medicaid eligible. Seminole ISD receives SHARS reimbursement for a variety of services including speech, physical, and occupational therapy as well as nursing and diagnostician services for eligible students. Seminole ISD has chosen to set up a scholarship program with the funds reimbursed to the district for these services by Medicaid. The Grow Your Own (GYO) scholarship program is designed to assist current Seminole ISD employees and/or recent Seminole High School graduates financially as they pursue teaching degrees that will benefit the students of Seminole ISD. The Seminole ISD Board of Trustees has determined that the GYO program serves a public purpose and provides an educational benefit to Seminole ISD.
